Topic 4	Initiation to and training in cooperation and international judicial mutual assistance in civil matters.
Topic 5	Management and administration of justice: management of procedures, computerisation, ...
Topic 6	Justice and Commercial Affairs

* We include EU Member States as well as Other institutions (EuroJust, United Nations, CoE), although in most of the cases they come as speakers and they agree to stay as a participant for the whole seminar

** We only count EU Member States

*** We include all MP participants (max 2) and the Meda speakers who stay the whole seminar

**** The EC invited all EU Member States and also the Candidate Countries
